3. Right of Association. The reservation of the Limited Common Elements herein shall not limit any right the Association and its agents may otherwise have to alter such Limited Common Elements or enter upon such Limited Common Elements.

ARTICLE VI.

DECLARANT' RESERVED RIGHTS AND POWERS

1. Declarant's Activities. DECLARANT is irrevocably and perpetually empowered, notwithstanding any use, restriction or other provision hereof to the contrary, to sell, lease or rent Buildings or Units to any person and shall have the right to transact on the Condominium property any business relating to construction, repair, remodeling, sale, lease or rental of Units and Buildings, including but not limited to, the right to maintain signs, employees, independent contractors and equipment and materials on the premises, and to use Common Elements (General and Limited) to show Units. All signs and all items and equipment pertaining to sales or rentals or construction and any Unit or Building furnished by the DECLARANT for sales purposes shall not be considered Common Elements and shall remain its separate property. DECLARANT retains the right to be and remain the Owner of completed but unsold Buildings and Units (where applicable) under the same terms and conditions as other Owners, including membership in the Association save for its right to sell, rent or lease.

2. Easements. DECLARANT expressly reserves perpetual easements for ingress, egress and utility purposes as may be required across and under the land submitted hereby. In the event the DECLARANT or its heirs, assigns and successors in interest develop any abutting property for a commercial condo or other purposes, the DECLARANT reserves the right to grant an easement over the interior roadway system within this Condominium Regime for access to said new abutting development for purposes of providing vehicular and pedestrian access from the existing public road through the Condominium Regime to the newly developed area; provided however, that those future Owners of said developed area who utilize the easement for vehicular access shall pay their fair pro-rated share of the cost of the maintenance, including snow removal, of those portions of the roadway within the Regime.

3. Designation of Association Directors. DECLARANT shall have the right to name all members of the Board of Directors

000223

of Gateway Commercial Condominiums Owners Association until 80% of the total Units have been sold. The DECLARANT may, however, waive this right prior to the sale of 80% of the Units by calling for a vote for directors by the Association members at any annual meeting thereof. Thereafter, the Board of Directors shall be selected in the manner specified by the bylaws of the Association.

4. Amend and Modify. DECLARANT reserves the right without the consent of Unit Owners to amend or modify the location and design of any Building located in the Condominium Regime so long as the total number of Units in the Regime is not increased and so long as the plans and specifications for the modified Building are, if so required, approved by the Johnson County Board of Supervisors. Said changes shall be made by successive amendments to the appropriate Exhibits of the Declaration.

5. The Sale and Expansion of Utility Services to Other Property Owners. DECLARANT shall have the right to sell and provide sewer and water services to property owners whose property is not located within the Condominium Regime. The rights of the Condominium Owners Association and the Unit Owners in the common areas consisting of the water, electrical service distribution system, and the sewer lagoons and distribution system are subject to the rights of DECLARANT to sell said services to said property owners. The DECLARANT shall retain as its property the amount of consideration, if any, charged to said property owners for the right to use said services, which shall be deemed a partial reimbursement to the DECLARANT for its capital investment in said improvements. However, the recipient of said sewer, water or electrical services shall pay to the Condominium Owners Association the same monthly or periodic fee for the use thereof in the same proportional basis as the Unit Owners. The use of said services by any non-Regime property owner shall not diminish the quality of the sewer and water services provided to Unit Owners.

In the event DECLARANT determines it is necessary to install an additional sewer lagoon cell in the common areas not now reserved for future potential expansion of the sewer system, DECLARANT shall have the right to do so subject to the approval of the Johnson County Board of Supervisors and the Iowa Department of National Resources or its successor in interest; and further provided that the cost of the installation thereof is paid by the non-Regime property owner who utilizes said services. If the Condominium Owners Association determines that said expansion is necessary in total or in part to provide desired sewer services for the Regime and its Unit Owners, the cost of installation of said additional sewer expansion shall be borne proportionately by the Owners Association and the non-Regime property owner benefiting thereby based upon the anticipated usage of the expanded sewer cell.

The improvements located on Lot 1 of Gateway First Addition, Johnson County, Iowa, as recorded in Plat Book 37, Page 326, of the plat records of Johnson County, Iowa, will utilize the water, sewer, and other utility services available to Unit Owners in this Condominium Regime. In addition, the owner of said lot will utilize portions of the roadways within the Condominium Regime and is hereby granted a perpetual easement for the use of said roadways by said owner, its guests, invitees, and customers. The owner of said lot shall pay the same proportionate costs of the maintenance of the roadways, sewer and distribution water system as is assessed to the Unit Owners in this Regime. Said payment shall be made directly to the Condominium Owners Association.

In the event the DECLARANT or its heirs and assigns and successors in interest develop any abutting property for a commercial condominium or other purposes, the DECLARANT reserves the right to provide water, sewer and other utility services for said new commercial condominium development in the same manner and subject to the same cost-sharing responsibilities as provided for herein for Lot 1 of Gateway First Addition.

ARTICLE VII.

CONDITIONS OF AND RESTRICTIONS ON OWNERSHIP, USE, AND ENJOYMENT

1. Subjection of the Property to Certain Provisions.

The Ownership, use, occupation, and enjoyment of each Building and Unit and of the Common Elements of the Regime shall be subject to the provisions of the bylaws and the Articles of Incorporation of the Association, and this Declaration, all of which provisions irrespective of where set forth or classified shall have equal status and shall be enforceable and binding as a covenant, condition, restriction, or requirement running with the land and shall be binding on and enforceable against each and all Units and the Owners thereof and their respective assigns, lessees, tenants, occupants and successors in interest.

2. Use of Property. The use of the property shall be in accordance with and subject to the following provisions:

(a) A Building or Unit may be used for any commercial purpose permitted by the applicable zoning ordinances of Johnson County or any other governmental agency which has control thereof.

(b) The Condominium Unit may be rented or leased by the Owner on any terms or for any duration the Owner thereof desires. No lease shall relieve the Owner as against the Association and other Owners from any responsibility or liability imposed by the Condominium Declarations.

(c) Nothing shall be altered in, constructed in, or removed from, the Common Elements, Limited or General, except upon written consent of the Board of Directors of the Association, which may be given through regulations of the Association, and further provided that any holder of a first mortgage which acquires possession of a Unit by foreclosure or by deed in lieu of foreclosure shall have the right to post signs for the sale or rental of such Unit until such Unit is sold or a lease is entered into. The Building or applicable Unit Owner may make such interior alterations or changes from time to time as the Owner thereof desires without approval of the Board of Directors so long as said improvements do not modify the exterior appearance of the Building.

(d) No Unit Owner, guests or invitees thereof, shall in any manner block vehicular access to each Building or Unit's entrance to the common driveway or in any manner block access from the limited common parking area in and on to the drives designated within the Condominium Regime known as Perch Drive SE, Dolphin Drive SE, Bass Drive SE, and Walleye Drive SE. The limited common area parking is not available to, or to be used by, or for the benefit of, the Unit Owners other than those in the Buildings which abut said limited common parking area.

(e) The Association shall have the authority to adopt rules and regulations governing the use of the property and such rules shall be observed and obeyed by the Owners, their guests and invitees.

(f) Agents of or contractors hired by the Association may enter any Building or applicable Unit when necessary in connection with any maintenance, landscaping, or construction for which the Association is responsible, provided such entry shall be made with as little inconvenience to the Owners as practicable.

(g) A Building or Unit Owner shall give notice to the Association of every lien against his or her Building or Unit other than permitted mortgages, taxes, and Association assessments, and of any suit or other proceeding which may affect the title to his or her Building or Unit, within ten (10) days after the lien attaches or the Owner receives notice of such suit.

(h) A Building or Unit Owner shall be liable to the Association for the expense of any maintenance, repair, or replacement rendered necessary by his or her act, neglect, or carelessness, or by that of his or her family, guests, employees, agents or lessees, which liability shall include any increase in insurance rates resulting therefrom.

3. No Waiver. Failure of the Association or any Owner to enforce any covenant, condition, restriction or other provision of Chapter 499B of the Code of Iowa, this Declaration, the Articles of Incorporation or bylaws of the Association, or the rules and regulations adopted pursuant thereto, shall not constitute a waiver of the right to enforce the same thereafter.

ARTICLE X.

INSURANCE AND CASUALTY

1. General Liability and Property Damage. Comprehensive general liability and property damage insurance shall be purchased by the Board as promptly as possible following its election, and shall be maintained in force at all times, the premiums thereon to be paid by assessments. Prior to the organizational meeting, such insurance shall be procured by DECLARANT. The insurance shall be carried with reputable companies authorized to do business in the State of Iowa in such amounts as the Board may determine. The policy or policies shall name as insured all the Owners and the Association. DECLARANT shall be named as an additional insured on such policy or policies until such time as DECLARANT shall have conveyed all of the Condominium Units in the Project. The policy or policies which will be acquired by the Association will insure against the loss arising from perils in the common areas as well as activities conducted on behalf of the Association. Each Unit Owner will provide general liability coverage which will insure against loss arising from perils within the Unit and limited Common Elements of said Unit. Such policy will name the Association and the DECLARANT as an insured and provide minimum coverage in the amount of at least \$1,000,000.00.

2. Fire and Casualty. Fire and other hazard insurance shall be purchased by the Board as promptly as possible following its election and shall thereafter be maintained in force at all times, the premiums thereon to be paid out of Association assessments. Because each Building will contain substantially different commercial uses and will create different loss risks and resulting premium adjustments the fire and casualty insurance policy for each Building will be secured by a cooperative effort of the board and of the Unit Owners with each Building. The premiums incurred on each Building will be the financial responsibility of and paid either directly to the insurance carrier or assessed by the Association and paid to the insurance carrier on behalf of the Building Unit Owners at the board's option. In the event the insurance carrier determines that the board does not under these circumstances have an insurable

interest in said property the Unit Owner shall assign its policy benefits to the Association and the Association shall disperse said policy proceeds in compliance with the provisions of Article X, 7. Policies shall provide for the issuance of certificates or such endorsement evidencing the insurance as may be required by the respective mortgagees. The policy, and certificates so issued, will bear a mortgage clause naming the mortgagees interested in said property. The policy or policies shall insure against loss from perils therein covered to all of the improvements in the Project, except as may be separately insured. Such policy or policies shall contain extended coverage, vandalism, and malicious mischief endorsements. The improvements to be insured under this clause shall be continually insured to value, and the policy or policies shall contain replacement cost insurance. If reasonably available, the policy or policies shall contain a stipulated amount clause, or determinable cash adjustment clause, or similar clause to permit a cash settlement covering specified value in the event of destruction and a decision not to rebuild. The policy or policies shall name as insured all of the Unit Owners in said Building, and to the extent that the Association has an insurable interest it shall name the Association and so long as the DECLARANT is the Owner of any Units in the Project, it shall name the DECLARANT as a insured. The DECLARANT shall notify the insurance carrier of any change in Ownership of a Unit until such time as the organizational meeting of the Unit Owners is held, at which time it shall be the responsibility of the Association to notify the insurance carrier of a change in the Ownership of any Unit. The policy or policies shall also cover personal property owned in common, and shall further contain waiver of subrogation rights by the carrier as to negligent Owners.

3. Fire and Casualty on Individual Units. Except as expressly provided in this clause and in clause 4, no Owner shall separately insure his or her Condominium or any part thereof against loss by fire or other casualty covered by the insurance carrier under clause 2. Should any Owner violate this provision, any diminution in insurance proceeds resulting from the existence of such other insurance, shall be chargeable to the Owner who acquired such other insurance, who shall be liable to the Association to the extent of any such diminution and/or loss of proceeds.

4. Personal Liability on Individual Units. An Owner may carry such personal liability insurance, in addition to that herein required, as he or she may desire. In addition, such fixtures and mechanical equipment located within a Unit such as plumbing fixtures, electrical lighting fixtures, kitchen and bathroom cabinets and counter tops, air-conditioning and water heater together with additions thereto and replacements thereof, as well as the personal property of the Unit Owner, may be

separately insured by such Owner, such insurance to be limited to the type and nature of coverage often referred to as "Condominium Unit-Owners Insurance". All such insurance separately carried shall contain waiver of subrogation rights by the carrier as to negligent Owners.

5. Additional Coverage. The Board may purchase and maintain in force, at the expense of the maintenance fund, debris removal insurance, fidelity bonds, and other insurance and/or bonds that it deems necessary. The Board shall purchase and maintain workmen's compensation insurance to the extent that the same shall be required by law respecting employees of the Association. The Board shall also maintain "all risk" insurance coverage on the Project to insure against water damage and like kind of casualties.

6. Loss Adjustment. The Board is hereby appointed the attorney-in-fact for all Owners to negotiate loss adjustment on the policy or policies carried under clauses 1, 2, 3, and 5 above.

7. Association as Trustee for Proceeds. In the event of damage or destruction by fire or other casualty affecting a Unit or Units, and/or if any portion of the common area is damaged or destroyed by fire or other casualty, all insurance proceeds paid in satisfaction of claims for said loss or losses shall be segregated according to losses suffered by each Unit or Units and/or the common area, and shall be paid to the Association as trustee for the Owner or Owners and for the encumbrancer or encumbrancers, as their interest may appear. Said insurance proceeds, and the proceeds of any special assessment as hereinafter provided, whether or not subject to liens of mortgages or deeds of trust, shall be collected and disbursed by said trustee through a separate trust account on the following terms and conditions:

(a) Destruction of Common Elements. If the damaged improvement is a Common Element, the Board of Directors of the Association may without further authorization contract to repair or rebuild the damaged portion of the Common Element substantially in accordance with the original plans and specifications thereof.

(b) Destruction of Buildings or Units. In the event of damage to, or destruction of, any Building or of any Unit in any Building, the Board of Directors shall immediately contract to repair or rebuild the damaged portion of the Building or its Units in the Common Elements substantially in accordance with the original plans and specifications utilizing the insurance proceeds for said purpose. The Board

shall have prepared the necessary plans, specifications and drawings and shall execute necessary documents to affect such reconstruction or repair as promptly as practical and in a lawful and workmanlike manner. Any loss of income or business interruption is the responsibility of the Unit Owner and the Association shall not be liable to insure against said loss.

(c) In the event that the common area is repaired or reconstructed and there is any deficiency between the insurance proceeds paid for the damage to the common areas and the contract price for repairing or rebuilding the common area or if there is a deficiency in the cost for repair or rebuilding a Building or Unit, the Board shall levy a special assessment against each Unit Owner in said Building proportioned to his/hers/or its percentages of Ownership in said Building to make up the deficiency. If any Owner shall fail to pay said special assessment or assessments within 30 days after the levy thereof, the Board shall make up the deficiency by payment from the maintenance fund and the remaining Owners shall be entitled to the same remedies as those provided in this Declaration covering a default of any Owner and the payment of any maintenance charge.

(d) In the event of a dispute among the Owners and/or mortgagees respecting the provisions of this clause, any such party may cause the same to be referred to arbitration in accordance with the then prevailing rules of the American Arbitration Association.

In the event of arbitration, the party requesting the arbitration will give immediate notice thereof to the Board, which shall notify all other Owners and mortgagees as promptly as possible after the reference to arbitration is made, giving all such parties an opportunity to appear at such arbitration proceedings. The decision of the arbitrator in this matter shall be final and conclusive upon all of the parties. The arbitrator may include in his or her determination an award for costs and/or attorney fees against any one or more parties to the arbitration.

8. Abatement of Common Expenses. The Board is authorized to provide coverage for payment of maintenance charges which are abated hereunder on behalf of an Owner whose Unit is rendered uninhabitable for a peril insured against.

9. Review of Insurance Needs. Insurance coverages will be analyzed by the Board, or its representative, at least every year from the date hereof and the insurance program revised accordingly.

ARTICLE XI.

TERMINATION

1. Procedure. The Condominium may be terminated in the following manner, in addition to the manner provided by the Horizontal Property Act:

(a) Agreement. The Condominium may be terminated at any time by the approval in writing of all of the Owners of the Condominium and by holders of all liens affecting any of the Units by filing an instrument to that effect, duly recorded, as provided in Section 499B.8 of the Code of Iowa. It shall be the duty of every Unit Owner and his or her respective lien holder to execute and deliver such instrument and to perform all acts as in manner and form may be necessary to effect the sale of the Project when at a meeting duly convened of the Association, the Owners of 100% of the voting power, and all record Owners of mortgages upon Units in the Regime, elect to terminate and/or sell the Project.

(c) Certificate. The termination of the Condominium in either of the foregoing manners shall be evidenced by a certificate of the Association executed by all members of the Association and their respective holders of all liens affecting their interest in the Condominium, certifying as to facts effecting the termination, which certificate shall become effective upon being recorded in the office of the Johnson County Recorder in Iowa City, Iowa.

2. Form of Ownership after Termination. After termination of the Condominium, the Project will be held as follows:

(a) The property (land and improvements) shall be deemed to be owned in common by the Owners.

(b) The undivided interest in the property owned in common which shall appertain to each Unit Owner shall be the percentage of undivided interest previously owned by such Owner in the common area and facilities.

(c) Any liens affecting any of the Condominiums shall be deemed to be transferred in accordance with the existing priorities to the undivided interest of the Owner in that property.

(d) After termination, the net proceeds of sale, together with the net proceeds of the insurance on the

property, if any, shall be considered as one fund and shall be divided among all the Owners in a percentage equal to the percentage of undivided interest owned by each Owner in the Common Elements; after first paying out of the respective shares of the Owners, to the extent sufficient for that purpose, all liens on the undivided interest in the property owned by each Owner.

ARTICLE XII.

AMENDMENTS AND MISCELLANEOUS

1. Procedure. Except as otherwise provided in this Declaration, this Declaration may be amended and such amendment shall be made in the following manner:

(a) Notice. Notice of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered. Holders of a first mortgage of record shall receive notice of such proposed amendment as provided in the bylaws of the Association.

(b) Resolution. A resolution adopting a proposed amendment may be proposed by either the Board of Directors or by any member of the Association. Except as provided elsewhere, the resolution must be adopted by a vote of 75% of all Owners entitled to vote, in person or by proxy; provided, however, no amendment effecting a substantial change in this Declaration or the bylaws of the Association shall affect the rights of the holder of any such mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve said amendment in writing.

(c) Bylaws. In the case of an amendment to this Declaration by reason of an amendment to the bylaws of the Association, then in the manner specified in such bylaws.

(d) Execution and Recording. An amendment adopted pursuant to (b) or (c) above shall be executed by an officer specifically delegated to do so with the formalities required by Chapter 499B of the Code of Iowa. Upon the recordation of such instrument in the office of the Johnson County Recorder, the same shall be effective against any persons owning an interest in a Unit or the Regime.

2. Amendment of Ownership Interest. No amendment shall change the percentage of Ownership in the Common Elements appurtenant to a Unit, nor increase the Owner's share of the common expenses unless the record Owner of the Unit concerned and all record Owners of mortgages thereon shall affirmatively join in the adoption of such amendment.

IN WITNESS WHEREOF, DECLARANT has executed this Declaration the day and year first above written.

BYLAWS
OF

GATEWAY COMMERCIAL CONDOMINIUMS
OWNERS ASSOCIATION

These are the bylaws of Gateway Commercial Condominiums Owners Association (hereinafter referred to as "ASSOCIATION"), a corporation organized pursuant to Chapter 504A of the Code of Iowa, as amended, for the purpose of administering Gateway Commercial Condominiums, a Horizontal Property Regime (Condominium) established pursuant to Chapter 499B of the Code of Iowa, as amended, located on certain portions of the following land in Johnson County, Iowa:

Lot 2 of Gateway First Addition, Johnson County, Iowa as recorded in Plat Book 37, page 326, Plat Records of Johnson County, Iowa.

I. MEMBERS AND VOTING RIGHTS

1. The Owners of each Condominium Unit shall constitute the members of the corporation and membership shall automatically cease upon termination of all interests which constitute a person an Owner. DECLARANT shall be and have the rights of members with respect to unsold Units, whether or not a building is constructed thereon. Whenever only one spouse is a record titleholder, the other spouse shall be considered an Owner for the purpose of membership, and shall be bound by the provisions of all Condominium documents including that provision in relation to the homestead exemption contained in Article VII of the Declaration.

2. An Owner of record shall be recognized as a member without further action for so long as he or she holds an Ownership interest. If Ownership is acquired but not of record, or if acquired other than by way of conveyance or other formal instrument of transfer (such as by death, judicial act or dissolution), the person acquiring or succeeding to Ownership shall present the Board of Directors of the Association evidence satisfactory to it of facts evidencing lawful Ownership status prior to exercise of any rights of membership in the Association. (Failure to provide such evidence shall not, however, relieve an Owner of his or her Ownership obligations). A fiduciary or other official acting in the representative capacity shall exercise all membership rights and privileges of the Owner which he or she represents.

3. If more than one person is the Owner of the same Unit,

all such Owners shall be members and remain jointly and severally liable for all membership obligations. In such cases, or if more than one fiduciary or other official is acting in the premises, the votes entitled to be cast by the Owners of that Unit shall be cast by the person named for that purpose on a certificate signed by all such Owners or fiduciaries or other officials and filed with the secretary and such person shall be deemed to hold an Ownership interest to such Unit for purposes of voting and determining the representation of such Ownership interest at any meeting or for purposes otherwise provided herein. If such certificate is not executed and filed with the secretary, such membership shall not be in good standing and the votes for that Unit shall not be considered in considering a quorum or a vote or for any other purposes until this bylaw is complied with.

4. The Owner of each Unit shall be entitled to one vote on all matters to be determined by the members of the Association either as Owners or as Units or as contemplated by Chapter 499B of the Code of Iowa, as amended, pursuant to the Declaration, including any supplements or amendments thereto, submitting the property to the Regime. Votes of a single Unit may not be divided.

II. MEMBERS' MEETINGS

1. The organizational meeting of the members of the Association to elect successors of the initial Board of Directors shall be held within fifty (50) days of the date on which the DECLARANT has sold and has conveyed 80% of the total Units within the project, or earlier, if the DECLARANT so determines, but in any event, no later than the 2nd day of January, 2008. Thereafter the annual and any special meetings shall be held at a time and at a place within Iowa City, Johnson County, Iowa, chosen by the Board of Directors and all such meetings, annual or special, shall be held at such particular time and place as is set forth in the notice thereof.

2. A special meeting shall be held whenever called by the president or, in his or her absence or disability, by the vice-president, or by any one member of the Board of Directors.

3. The secretary or his or her designate shall give written notice to each member of the annual meeting or a special meeting called pursuant to paragraph 2. hereof. Whoever requests the special meeting shall give like written notice of such special meeting. All notices shall set forth the time and place and purpose or purposes for which the meeting will be held. No action shall be taken at a special meeting which is not directly related to the purpose or purposes stated in the notice of such meeting.

4. Notice of members' meetings shall be given by mailing or delivering same not less than ten (10), nor more than thirty (30)

days prior to the date of the meeting. Notice shall be deemed to be given if mailed by first class mail to the member at the address of his or her Unit within the Regime, unless at the time of giving such notice such member has given written direction delivered to the secretary specifying a different mailing address to be carried on the rolls of the Association. If more than one person is the Owner of the same Unit or if more than one fiduciary or one official is acting in the premises, notice to such person shall be deemed to have been given, when in accordance with this paragraph to the person named in the certificate filed with the secretary in accordance with Paragraph 3 of ARTICLE I. Notice of any meeting may be waived in writing by the person entitled thereto.

5. A quorum at a members' meeting shall consist of the presence of members in person or by proxy, representing 51% of the Units. The acts carried or approved by a vote of a simple majority of the Units represented at a meeting at which a quorum is present shall constitute the acts of the membership unless a different rule is provided herein or by the articles of incorporation, the Declaration or other agreement to which the Association is a party. The president, or, in his or her absence or disability the vice-president, shall preside at each members' meeting; if neither the president nor the vice-president is able to preside, a chairman shall be elected by the members present at such meeting.

6. At a membership meeting, a person holding a member's proxy to vote shall be permitted to cast such member's vote on all questions properly coming before such meeting, provided such proxy must be in writing and signed by a member or other person entitled to cast votes, and shall set forth the Unit with respect to which such rights are pertinent, and the period in which the proxy is to be in force and effect. Decision of the Board of Directors as to the sufficiency of any proxy for recognition shall be final and not subject to appeal to the members.

7. At all meetings, the order of business shall consist of the following:

- (a) Election of Chairman, if required.
- (b) Calling of roll and certification of proxies.
- (c) Proof of notice of meeting or waiver of notice.
- (d) Reading and disposal of any unapproved minutes.
- (e) Reports of officers, if applicable.
- (f) Reports of committees, if applicable.
- (g) Election of Directors, if applicable.
- (h) Unfinished business.
- (i) New Business.
- (j) Adjournment.

III. BOARD OF DIRECTORS

1. The affairs of the Association shall be managed by an initial board of three directors. The initial board shall consist of such persons as the DECLARANT may appoint pursuant to the Declaration and need not be members of the Association. The initial board shall serve until the first annual members' meeting. From and after the first annual meeting of members, the Board of Directors, consisting of seven persons, shall be selected from the members of the Association. An officer or designated agent of a partnership or corporate member shall qualify to serve as a director.

2. At the first annual members' meeting and at each meeting thereafter seven directors shall be elected and the term of office of each director shall extend until the next annual meeting of the members and thereafter until their successors are duly elected and qualified or until removal in the manner as elsewhere provided.

3. Each director shall be elected by ballot (unless such requirement is waived by unanimous consent) and by a plurality of the votes cast at the annual meeting of the members of the Association. Each person entitled to vote shall be entitled to vote for as many nominees as there are vacancies to be filled by election and each director shall be elected by a separate ballot unless provided otherwise by unanimous consent of the members.

4. Except as provided in Paragraph 5 of this ARTICLE, vacancies on the Board of Directors may be filled until the date of the next annual meeting by a vote of the remaining director regardless of whether those remaining constitute a quorum.

5. The initial directors shall be subject to removal only by the DECLARANT. Thereafter, a director may be removed by a vote of 80% of the members of the Association at a special meeting called for that purpose. The vacancy on the Board of Directors so created shall be filled by the persons entitled to vote at the same meeting.

6. The initial directors as well as any other directors appointed by the DECLARANT shall serve without compensation. Directors elected by the members shall receive such compensation and expenses as may be approved by the persons entitled to vote at any annual or special meeting.

7. An organization meeting of a newly-elected Board of Directors shall be held within ten (10) days of their election at such place and time as shall be fixed by the directors at the meeting at which they were elected. No further notice of the organization meeting shall be necessary.

8. By a simple majority vote, the directors may set the

time and place for regular meetings of the board and no notice thereof shall be required until such resolution is modified or rescinded. Special meetings of the directors may be called by the president, vice-president, or any director, provided not less than two (2) days' notice shall be given, personally or by mail, telephone, or telegraph, which notice shall state the time, place and purpose of the meeting.

9. A quorum at a directors' meeting shall consist of 3 of the initial 5 directors and when the number of directors is increased to 7, the quorum shall consist of 5 of 7 directors. The acts approved by unanimous vote of those present at a meeting duly called at which a quorum is present shall constitute the acts of the entire Board of Directors, except where approval by a greater number of directors is required by the Declaration or these bylaws.

10. The presiding officer of a director's meeting shall be the president, or in his or her absence, the vice-president.

11. The Board of Directors, by resolution approved by all members thereof, may designate from among its members such committees as it deems advisable and by resolution provide the extent and manner to which the same may have and exercise the authority of the board.

IV. POWERS AND DUTIES OF THE BOARD OF DIRECTORS

All of the powers and duties of the Association shall be exercised by the Board of Directors, including those existing under the common law and statutes, the articles of incorporation, and the documents establishing the Condominium Regime. The enforcement by legal means of the provisions of the Horizontal Property Act, the Articles of Incorporation, bylaws of the Association, Declaration, and the regulations for the use of the property in the Regime; and to take legal action in the name of the Association and on behalf of its members.

6. To contract for management of the Regime and to delegate to such manager any or all powers and duties of the Association except such as are specifically required by the Declaration, bylaws or resolutions of the members to have approval of the Board of Directors or the membership of the Association.

7. To employ, designate, and discharge personnel to perform services required for proper operation of the Regime.

8. To carry insurance on the property committed to the Regime and insurance for the protection of Unit Owners, and occupants, and the Association.

11. To borrow money from the bank, lending institution or agency for the use and benefit of the Association and to secure the loan or loans by pledge of the assets of the Association, and from time to time renew such loan and give additional security.

12. To do such other acts as are necessary and proper to effect the purpose of the Regime as stated in the Declaration and these bylaws, provided such acts are not otherwise prohibited.

Each of the above powers shall be exercised by a simple majority; however, the determination of amount of assessments where the assessment exceeds the sum of \$5,000.00 for each member shall require a vote of 5 of 7 directors.

V. OFFICERS

1. The officers of the Association shall be the president who shall be a director, a vice-president who shall be a director, and a treasurer and secretary, which offices shall be filled by one person who need not be either a director or member. All such officers shall be elected annually by the Board of Directors and may be peremptorily removed and replaced by the vote of three of the initial directors and by a vote of five of seven of the directors elected at the first annual meeting of the members. In the event that the number of directors is thereafter increased the goal to replace an officer shall require a vote of two-thirds (2/3) of the total directors.

two-thirds (2/3) of the directors at any meeting. The initial officers and their successors until the first annual meeting shall be chosen by the initial Board of Directors and shall serve until the organizational meeting of the members. The Board of Directors may from time to time create and fill other offices and designate the powers and duties thereof. Each officer shall have the powers and duties usually vested in such office, and such authority as is committed to the office by the bylaws or by specific grant from the board, but subject at all times to the provisions of the bylaws and to the control of the Board of Directors.

2. The president shall be the chief executive officer of the Association. He or she shall preside at all membership meetings and meetings of the Board of Directors and shall have power to appoint committees from among the members to assist in the conduct of the affairs of the Association and the Regime.

3. The vice-president shall preside over the membership meetings in the absence or disability of the president, and shall otherwise exercise the powers and duties of the president in the event of the absence or disability of the president and shall generally assist the president and exercise such other powers and duties as are prescribed by the directors.

4. The secretary and treasurer, which shall constitute one office, shall keep the minutes of all proceedings of membership meetings and directors' meetings and shall have custody and control of the minute book of the Association and shall keep or be in charge and control of the records of the Association, and additionally as treasurer have control of the funds and other property of the Association and shall keep the financial books and records thereof.

5. The compensation of all officers and employees shall be fixed by the directors. This provision shall not preclude the Board of Directors from employing a director as an employee, nor the contracting with a Director for management of the Regime.

6. Any instrument affecting an interest in real property may be executed by the president or vice-president and one other officer upon authorization of the directors or in such manner as the directors may otherwise direct.

VI. FISCAL MANAGEMENT

1. The Board of Directors shall adopt a budget for each fiscal year (which shall be the same as the Association's fiscal year for Income Tax purposes) which shall include the estimated funds required to defray the common expenses and to provide and maintain funds for the following accounting categories according to good accounting practices:

(a) Current expenses which shall include all funds and expenditures to be made for the year for which the funds are budgeted, including a reasonable allowance for contingencies and working funds, except expenditures chargeable to reserves or to additional improvements. The balance of this fund at the end of each year shall be applied to reduce the assessments for current expense for the succeeding year.

(b) Reserve for deferred maintenance, which shall include funds for maintenance items which occur less frequently than annually.

(c) Reserve for replacement, which shall include funds for repair or replacement required because of damage, destruction, depreciation or obsolescence.

2. The Board of Directors shall assess against each Unit and the Owners thereof shall be liable for, a share of the items in the budget adopted pursuant to paragraph 1. equal to such Unit's pro rata share of common expenses as set forth in the Declaration. Such share shall be assessed annually in advance for the fiscal year for which the budget was prepared, and notice of such assessments shall be mailed or delivered not less than thirty (30) days prior to the first day of such fiscal year. Such assessment shall be due and payable from the respective Unit Owner or Owners in twelve (12) equal installments, each installment being due and payable the first day of each calendar month, within such fiscal year. In the event notice of such assessment is not timely given, the amount of such assessment will not change but the due date for each installment which would otherwise be due and payable less than thirty (30) days from the giving of such notice, shall be due and payable on the due date of the first installment which is due after thirty (30) days from the date such notice was mailed or delivered. In the event the annual assessment proves to be insufficient, the budget and assessments, therefore, may be amended at any time by the Board of Directors. Such amended

budget may be adopted at a special directors' meeting upon an affirmative unanimous vote of the directors. The additional amount so budgeted shall be assessed to each Unit in the same manner as assessments for the annual budget and shall be prorated among the remaining installments due and payable in such year.

3. Assessments for common expenses for emergencies and extraordinary expenditures, which exceed an assessment of \$5,000.00 per member, cannot be paid from the annual assessments for common expenses and maintenance funds until after notice of the need thereof to the Unit Owners. After such notice and upon approval in writing by persons entitled to cast more than one-half (1/2) of the votes in the Condominium, the assessments shall become effective, and shall be due in such manner as the Board of Directors may require after thirty (30) days' notice thereof. In the event any expenditure for repair or replacement of any Unit or Common Elements cannot be paid from annual assessments but can be at least ninety percent (90%) paid from insurance proceeds therefor, such expenditures may be made upon approval of the Board of Directors without approval of the members and an amended budget and assessment may be made therefor if necessary.

4. If an Owner shall be in default of a payment of an installment upon an assessment, the Board of Directors may accelerate the remaining installments of the assessment upon notice thereof to such Owner, and thereupon the unpaid balance of the assessment shall become due upon the date stated in the notice, but not less than ten (10) days after delivery thereof to such Owner either personally or by registered or certified mail. Interest shall be computed and due on balances due under this paragraph but unpaid on such due date at the maximum rate of interest allowable by law from the date such balance becomes due and payable in accordance with the preceding sentence; such interest shall be in addition to any other payments for which said Owner is liable.

5. The holder of a mortgage on any Unit, upon its filing written request with the Association, shall be given written notice by the Association of the nonperformance of a mortgagor's obligations under these bylaws, the Declaration or other Condominium documents, which is not cured within thirty (30) days.

6. All sums assessed but unpaid, including but not limited to, interest with respect to a Unit or against a Unit Owner shall constitute a lien on such Unit prior to all other liens except:

(a) Tax liens on the Unit in favor of any assessing Unit and special district; and

(b) All sums unpaid on the first mortgage of record.

Said lien may be foreclosed by the Association in the manner and with the consequences provided in Section 499B.17 of the Code of Iowa, as amended, in which event the Owner shall be required to pay a reasonable rental for the Unit. In the event the Association forecloses on any lien, the Owner or Owners of such Unit, by their membership in this Association, specifically waive any rights to delay or prevent foreclosure which he, she or they may have against the Association by reason of the homestead exemption. The Association may sue for money judgment for unpaid assessments and interest or sums due without foreclosing or waiving any lien which it holds.

7. If a mortgagee or purchaser of a Unit obtains title as a result of foreclosure of a first mortgage, neither such mortgagee nor purchaser nor their successors or assigns, shall be liable for the assessments chargeable to such Unit due prior to the acquisition of title, and such unpaid assessments shall thereafter be deemed to be common expenses collectible from all Unit Owners including the mortgagee or purchaser, and their successors and assigns. The Owner of a Unit pursuant to a voluntary conveyance or by inheritance or devise shall be jointly and severally liable with the grantor or prior Owner for all unpaid assessments against the grantor or prior Owner, but without prejudice to the right of such grantee or devisee to recover from the grantor the amounts paid therefor. The grantee or other successor in interest of an individual subject to a levy of an assessment on account of default shall be liable for any such special assessment.

8. The depository of the Association shall be such bank or banks as shall be designated from time to time by the directors and in which the moneys of the Association shall be deposited. Withdrawal of moneys from the accounts shall only be by checks signed by such persons as are authorized by the directors.

9. An audit of the accounts of the Association may be made annually by a certified public accountant and if such audit is made a copy of the report shall be furnished to each member not later than sixty (60) days after the close of the fiscal year for which the report is made.

VII. AMENDMENT

1. These bylaws may be amended, altered, repealed or new bylaws adopted by the members at a regular or special meeting of the members upon an 80% affirmative vote of all votes entitled to be cast; provided, however, no amendment effecting a substantial change in these bylaws shall affect the rights of the holder of any mortgage recorded prior to recordation of such amendment who does not join in the execution thereof and who does not approve

said amendment in writing.

2. No amendment may be adopted at either a special or regular membership meeting not included in the notice thereof, except if notice of the proposed amendment has been given, an amendment relative to the same subject may be adopted by those present, in person or by proxy and possession of the requisite percentage of membership and voting interests; provided further, no vote by proxy may be counted unless the proxy expressly provides for such contingency. Notice referred to herein shall be given in the manner prescribed in ARTICLE II, Section 3 of these bylaws and shall be given to the persons described in ARTICLE II, Section 4, and the holder of any first mortgage of record which has notified the Association of its interests not more than fifty (50) days nor less than thirty (30) days before the date such meeting will be held. More than one proposed amendment may be included in the notice of a meeting.

3. To the extent provided by Section 499B.14 of the Code of Iowa, as amended, no modification nor amendment to these bylaws shall be effective unless set forth in an amendment to the Declaration of Condominium, executed and recorded in the manner set forth in the Declaration and an amendment to these bylaws shall constitute an amendment to the Declaration as provided for by law. Upon such recording, said amendment shall be effective against all persons having an interest in a Unit or the Regime regardless of whether said person had such interest at the time said amendment was adopted.

VIII. MISCELLANEOUS PROVISIONS

1. The invalidity of any portion or provision of these bylaws shall not affect the validity of the remaining provisions or portions hereof.

2. The Association shall not have or employ a corporate seal.

3. The Board of Directors may require fidelity bonds from all directors, officers, or agents handling or responsible for Association funds and the expense of such bonds shall be common expense of the Association.

4. The Association shall promulgate such rules and regulations as it deems to be in the best interest of all Owners within the Regime. The initial Board of Directors shall adopt the initial rules and regulations which may be added to, amended, modified or altered by a two-thirds affirmative vote of all of the members in the Association. Such Rules and Regulations, as amended, shall be binding upon all members, guests, and agents of members. An amendment to the rules and regulations shall not

constitute an amendment to the Declaration and shall be valid and enforceable upon adoption without recording the same as an amendment to the Declaration.

5. The Association shall at all times maintain separate and accurate written records of each Unit and Owner and the address of each, and setting forth the status of all assessments, accounts and funds pertinent to that Unit and Owner. Any person other than a Unit Owner may rely on a certificate made from such records by an officer or agent of the Association as to the status of all assessments and accounts.

6. Each member shall have the obligations as such member as are imposed on him or her by the Regime documents as an Owner, and no member shall have any power or authority to incur a mechanic's lien or other lien effective against the Regime property except as the same may attach only against his or her interest therein.

7. The Board of Directors may, in its discretion, issue written evidence of membership, but the same shall be evidence thereof only and in no manner shall be transferable or negotiable, and the share of the member in the assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as appurtenant to such assignment, hypothecation or transfer of the Unit.

8. Each Owner or lessee of his or her Unit, as applicable, shall have a right to use and enjoy the Common Elements provided that such use shall be limited to the uses permitted by the Declaration of Condominium and other governing documents of the Regime.

IX. DEFINITIONS

Unless the context otherwise requires, the terms used herein shall have the meanings stated in the Horizontal Property Act, and as follows:

1. **Person.** The term "person" shall include an individual, a corporation, or other legal entity or its representative.

2. **Owner.** The term "Owner" for the purposes of these bylaws shall mean any person who owns or holds for himself or herself an interest in one or more Units subject to the Regime; provided that the holder of a leasehold interest in a Unit shall not be an Owner; and further provided that the holder of an equitable interest shall be an Owner.

3. **Unit.** The term "Unit" means each Unit subjected to the Regime of one or more rooms intended for use as a residence.
